VICTOR ZAMMIT: AFTERLIFE REPORT- SPIRITUAL AWAKENING.

Victor Zammit is a former Australian Lawyer, along with his wife Wendy, who is a former journalist, are deeply committed to 'afterlife' research-related topics. Their inspirational free online publication titled "After Life Report" published weekly provides an extensive resource of afterlife topics, links, book extracts, video clips.

Since 2016 I've been receiving these excellent online publications and continue to be amazed at the comprehensive literature coverage of the topics ranging from science, near-death experiences, spirituality-consciousness, silver birch, reincarnation and related areas. Zammit also hosts an extensive online archive index of above e-reports. An article extract from May 12th 2017 report featured Spiritual Awakening and what might denote someone who is spiritually awakened. Following on, a comment by Zammit in 20th October 2017 edition on key differences between religion and spirituality. Both appear below.

VICTOR ZAMMIT: DIFFERENCE BETWEEN RELIGION AND SPIRITUALITY

COMMENTARY: Religion and spirituality.

Some leaders in religion insist that by being religious you will automatically become more spiritual.

Are religion and spirituality the same? NO! Why not?

RELIGION:

In any religion, people can be passive, sitting on their backsides for hours, in their church or temple, reading prayer books or praying. But those in urgent need are not being helped! These people have not increased their level of spirituality. Even worse, they can start to be judgmental of others who do not conform to their beliefs and practices.

SPIRITUALITY:

Those who are doing selfless service, unselfishly helping those in need will be increasing their vibrations, their level of spirituality. They are making the world a better, more loving and more peaceful place to live in. Why? Because spiritual activity is what positively increases the vibrations of the soul - something which will have a huge impact on the person at the time of crossing over.
