

Conscious spirituality in search of truth...

ASHA, WA: AUSTRALIAN SPIRITUAL HEALERS ASSOCIATION

Spiritual healing has been a regular practice by dedicated volunteer 'healers' since the early 20th century especially in England, where this practice is far more integrated into a community. Briefly, a definition of spiritual healing can mean 'the practice of attuning to a Divine Life Force energy through being of service to the community and becoming an instrument to provide a range of healing services.'

Spiritual healing practitioners in England register with "The National Spiritualist Association." On acceptance, this allows spiritual healing volunteers to attend patients, at their request, in public hospitals. Other organisations involved in spiritual healing include "The Harry Edwards Sanctuary," Meadows Lea, England.

In Australia, "The Australian Spiritual Healers Association" ASHA, founded in 1964 by the late Arthur Kendrick was formally opened by Harry Edwards the renowned English spiritual healer. ASHA has a dedicated group of volunteer healers who regularly offer public spiritual healing sessions in Western Australia. The forms of healing offered include absent or distant healing for people, and pets if required. Committed dedicated volunteer spiritual healers attend regular development meetings, circles, meditation groups and similar. Spiritual healing is one of the greatest gifts of service we can contribute to others on this planet. ASHA and others globally are committed to these free practices and should be highly commended for their continued work.

ASHA: WHAT IS SPIRITUAL HEALING?

‘Spiritual Healing is the practice of attuning to Divine Life Force energy by meditative means or prayer, to be the instrument or means through which this energy can be channelled to a person, place or object - present or not - via the Hands or Loving thoughts to have a beneficial effect upon the person as a whole on any or all levels of Body, Mind and Spirit.

SPIRITUAL HEALING ENERGIES

Spiritual Healing has been practised throughout the world for many centuries by members of various religions and cultures. Throughout the ages, this aspect of beneficial intervention has not been confined to any one faith, creed, or nation, and continues to be widespread through many faiths and cultures today. While the healing ability may lie dormant within many, **most people who have a love and compassion for others are able to develop their healing skills.**

The Spiritual Healing energies work simultaneously on all levels of the client's being. Spiritual Healers may or may not consciously see or feel the Healing energies flowing. However, this matters little, for it is the intention to bring about Healing, and the belief that this can be achieved by being an instrument, or channel, through which the Healing is directed to the client, that allows healing to occur.'

'With Spiritual Healing distinctions of race, class, sex, or religion are irrelevant; **no affirmation of religious faith is required of the client. The ASHA member's practice Spiritual Healing by the laying-on of hands, and by attunement through meditation** and prayer, a healer seeks to induce a beneficial effect upon a client's life force at all levels of existence. Spiritual Healing may be given for any illness, stress, or injury as a therapy, which has no side effects, and is complementary to any other therapy.

ASHA WA operates a distant healing network, Christian names of those requiring healing are sent out to members involved in the distant healing network. Distant Healing works, as does prayer on the principle that energy follows thought. The Distant Healer focuses on the Healing Energy, Light and Unconditional Love, holding the intention to send Healing.

The Healers in our Distant Healing Network set aside some time for meditation and send distant healing to those in need. If you or someone you know needs some distant healing please send an email to request distant healing with Christian name of person in need. Animals can also receive healing and we will be pleased to send healing to your animal friends, please send an email requesting healing with type of animal and the animals name.'
