## CHAPTER 4 - THE LAWS THE GOVERN

### 4.3 SERVICE

#### *401 Natural Laws and People's Laws*

Natural laws, the laws of Nature, the laws of God, like many other similar terms, refer to *laws that are not made by people*.

We in the USB prefer the term *The Laws That Govern*, or (collectively) THE LAW – The law enables all that *is*, to *exist*, and that enables humanity and all else to express. That Law includes all physical and spiritual laws, whether or not we are conscious of them.

Laws that are made by people often vary from place to place, from country to country, and from age to age. Laws made by people may change, and they may be good or bad. The Laws That Govern are unchangeable and eternal, and *they are always good*.

Observance of a law made by people brings light or darkness, depending on the law. Observance of The Laws That Govern bring only light.

A Blessed Soul has observed:” Where is there perfection in nature, except in the Laws that govern nature?”

If any teaching and/or philosophy in this USB document is in conflict with or is not supported by *Spiritual Light* (ISBN 978-0-9912422-1-4 deluxe flex-cover, 978-0-9912422-2-1 paperback), which contains the only complete and *official* teachings and philosophy of the USB, then *Spiritual Light* governs. The inclusion of this statement, in a box in a prominent position, and worded as in *Spiritual Light*, is required on every authentic USB publication containing its teaching and/or philosophy.
